

PROJECT GEOLOGIST / PROJECT MANAGER

FULL-TIME

ABOUT US

Dahrouge Geological Consulting Ltd. is a North American mining and mineral exploration consulting company providing professional expertise in geological, logistical, and project management services through all stages of the mining value chain over a wide variety of commodities and materials.

POSITION SUMMARY

Our team is currently seeking a Project Geologist / Project Manager based in Eastern Canada to lead, assist, and provide technical expertise and team leadership on various projects located within Canada, the United States, and/or International.

Reporting to the President and Chief Operating Officer, Project Geologist / Project Manager will carry out and supervise various technical and managerial activities, both field- and office-based, including project management, team building, team training, client communications and satisfaction, reporting, budgeting, and various mineral exploration program tasks as required.

The ideal candidate will have proficient experience in several major commodity types, embrace and thrive in an ethical and teamwork environment, and hold the following:

QUALIFICATIONS / CERTIFICATIONS

- B.Sc. or M.Sc. in Geology / Earth Sciences from an accredited University;
- Must hold Professional Geoscientist (P.Geo.) accreditation;
- Exceptional commitment to health, safety, and environment;
- Exceptional verbal and written communication skills;
- Strong knowledge and experience with ArcGIS / ArcMap;
- Proficiency with Leapfrog Geo, MineSight 3D, Vulcan and/or GEMS considered a strong asset;
- Proficiency with Fusion, acQuire, or other database management software considered a strong asset;
- Strong knowledge of industry best-practices, methodologies, and ethics;
- Minimum 6 years of direct experience in mining / mineral exploration industry;

REQUIREMENTS / CERTIFICATIONS

- Valid Driver's License;
- Ability to travel and work variable rotating schedules as per client and/or project needs;
- Ability to work in a fast-paced and dynamic environment;
- Ability to work in a collaborative team setting with a positive and proactive attitude;
- Ability to present information clearly to company, client, and within public presentations;

Interested and qualified candidates should submit a formal introduction and expression of interest, updated resume, and cover letter to Sydney@dahrouge.com
